Dear Sir

In answer to yours of the 7th I send you the annexed names. Most of them I have obtained from Mr Goodell Ed Genius of Liberty and he is not sure of several of them.

I rejoice to know that the cause of the oppressed has gained so able and efficient an advocate as yourself. We have a hard contest before us but we know that God is on our side and that success is certain tho' we may not live to see it to the extent we wish. With best wishes for your continued prosperity I am dear Sir resp'y yrs
